- towards a big picture

14-18 August 2016  
Inverness, Scotland, UK

### Speaker of Session 20

#### ENERGY POLICY AND ECONOMY

Sinikka Mynttinen (Ph.D. forest econ.) works as a senior advisor in the Aalto University School of Economics, Small Business Center in Finland. Besides marketing of forest industry products her special interests are in business concepts of SMEs in rural regions. Since 2007 Mynttinen has been involved in several regional, national and international projects as a researcher and small business developer. Among others she has studied the regional availability of energy wood and arranged training for internationalization of companies in wood sector. Mynttinen has also been involved in drawing up the development program of bioenergy sector for the South Savo region. In addition, she works as a thesis supervisor for students of Aalto University BScBA Program of International Business.
