

1<sup>st</sup> International Symposium on  
**E**nergy **C**hallenges & **M**echanics

8-10 July 2014  
Aberdeen, Scotland, UK

#### **Invited Speaker of Session 04**

#### **RESERVOIR SIMULATION**

Dr. Michael J. King is Professor, Assistant Department Head, Foundation CMG Chair, and holder of the LeSuer Chair in Reservoir Management in the Department of Petroleum Engineering at Texas A&M University. He is an SPE Distinguished Member and the recipient of the 2011 SPE Reservoir Description and Dynamics Award. He has served as a Distinguished Lecturer for the SPE and is the co-author of the SPE textbook on Streamline Simulation: Theory and Practice. He joined A&M in 2009, after enjoying 27 years with BP America, both in the U.S. and overseas. His original training was in Physics and Mathematics, with a PhD from Syracuse University in 1980.
