

6th International Symposium on

Energy **C**hallenges & **M**echanics

- towards a big picture

14-18 August 2016
Inverness, Scotland, UK

Speaker of Session 19

OIL AND GAS

Yoshinori Suzuki received the B.S. and M.S. degrees in industrial chemistry from Tokyo University of Science, Japan. He joined Kureha Corporation in 2000 and worked as polymer chemist until 2010. During the period, he was engaged in the study of synthesis and characterization of polymers including Polyglycolic Acid (PGA), later in the study of manufacturing technology and application development of PGA. Then, he was transferred to Kureha PGA LLC located in West Virginia, USA and worked as QC Manager and Chief Researcher for five years. He returned back to Research Center of Kureha in Japan in 2015 and is managing Polymers Department. His current research interests include polymer modification and application to various fields.

6TH INTERNATIONAL SYMPOSIUM ON
ENERGY CHALLENGES AND MECHANICS

Towards a Big Picture
