6th International Symposium on
Energy **C**hallenges & **M**echanics
- towards a big picture

14-18 August 2016
Inverness, Scotland, UK

Speaker of Session 5

ENERGY AND ENVIRONMENT

Ashini Wesumperuma is a senior researcher at the Advanced enterprise Information Management Systems (AeMIS) research group at Western Sydney University in Australia. She recently submitted her PhD titled "Multi-dimensional Business Process Optimisation for Greenhouse Gas (GHG) Emission Management" for examination. She graduated from University of Peradeniya, Sri Lanka with a first class. She holds a MSc in Information Systems from University of Colombo, Sri Lanka as well as a MIT in eBusiness from University of Western Sydney, Australia. Ashini is a champion for "Sustainable living" and has published several articles related to managing greenhouse gas emissions at an organisation.
